Footnotes

MISS KELLER (IRE) was successfully guided over to the inside during the straightaway approach leading up to the opening bend, continued taking the inside route, before placed in the two path upon reaching the backstretch, sat reserved towards the back of pack under a firm hold, continued along on the same scenario until midway on the far turn, advanced forward under her own power, by now drafting behind DREAMT, followed that rival, fanning four wide into the lane, tipped out one additional path at the head of stretch, took off with an instant show of acceleration once given her cue, charged down the center of the course with a powerful kick, poked a head in front by the furlong marker, then had plenty left at the end to fend off the late-closing runner up. KEERTANA was unhurried while saving ground until the quarter pole, swung out in preparation for the stretch run, only to be mired in traffic, angled outward for freedom with a furlong to go, closed with good energy, but had to settle for place honors. DREAMT (GB) reserved in midpack, came four wide into the stretch, closed readily during the run through the furlong grounds, loomed briefly, but flattened out. HAKA a bit skittish in the gate prior to the start, was content to bring up the rear until the quarter pole, angled to the middle of the course in upper stretch and came home willingly to earn a major share. BE FAIR quickly established command, cut the pace under rating tactics under the watchful eye of MY BABY BABY, clung to a narrow edge until midstretch, steadily tired thereafter. MY BABY BABY well rated while prompting the pacesetter from the outside, backed off during the last eighth. DAVERON (GER) rank being rated during the opening stages, acted more kindly shortly after entering the backstretch, remained a forward factor for six furlongs and folded. COULEE well placed along the inside under a firm hold, was stuck in traffic after entering the stretch, lacked any room or opportunity to alter course, gained a brief seam along the rail nearing the eighth pole, had that hole quickly shut down, then continued on the finish line, still having never been asked for run. MISS CATALYST three wide around both turns, was through after completing six furlongs.
